

FOCUS DAY & NETWORKING EVENTS

DESCRIPTION

EmiratesGBC focus days and seminars take a detailed look at current topics or issues related to green building & sustainability in the built environment.

The in-person events aim to raise awareness and provide a platform for discussion and knowledge sharing. Usually taking the format of a presentation, panel discussion with a coffee reception, they also provide a great opportunity for networking.

Our partners benefit from brand exposure and media coverage.

**15,000
AED**
